

STATE OF ALABAMA DEPARTMENT OF  
**PUBLIC HEALTH**

**Prostate Cancer 30-SEC PSA**  
**September 2017**

About one in six men will be diagnosed with prostate cancer during his lifetime, you or someone you love could be the one.

This is Acting State Health Officer Doctor Scott Harris. While some men with prostate cancer experience changes in urinary or sexual function, it's important to remember that many cases are first detected by a doctor during a routine check-up.
